Does that answer your question? I hope that answers your question. 15 Does that make sense? Does that help? Is that clear? These are good to use when you are trying to be as helpful as you can, but you aren't sure if you are providing the exact answer that the person needs. They are casual and common phrases. 10 1. Did I answer that question correctly? 2. Did I answer that fully? 1. Here you want to check the actual answer was right. "Yes you answered it perfectly" 2. Here you want to know if you gave in your answer all the necessary details required. "Yes, you made no omissions in your answer." 1. "Yes you answered it perfectly" 2. "Yes, you made no omissions in your answer." 6 Does that answer your question? Did I answer that correctly? You can ask: 'Does that answer your question?' 'Did I answer that correctly?' 'Am I answering right?' 'Is it clear?' 'Does that answer your question?' 'Did I answer that correctly?' 'Am I answering right?' 'Is it clear?' 6 Did that answer your question? This is a way to confirm if you answered their question. It is like you looking for reassurance. Reassurance is the the action of removing someone's doubts or fears. For example "Children need reassurance and praise" Reassurance ("Children need reassurance and praise" 5 Was my answer satisfactory? Just to be clear and to avoid any confusion; was my answer satisfactory? Satisfactory: IE fulfilling expectations or needs; acceptable. When something is satisfactory we expect no complaints about it.~)In this case an answer given. Did it "hit the mark" ? Just to be clear and to avoid any confusion; was my answer satisfactory? Satisfactory: satisfactory "Just to be clear and to avoid any confusion; was my answer satisfactory?" Satisfactory: satisfactory "Just to be clear and to avoid any confusion; was my answer satisfactory?" 5 Does that answer your question? Does that make sense to you? It can be challenging sometimes to know if the person understands our explanations. These two examples should help you to deal with it. The first one is more polite and official, whereas the second one is more casual and would be perfect for using with friends or relatives. 5 Does my answer fit the bill? Have I answered you correctly? Are you satisfied with my answer or should I explain it further? In the first question, you have used the idiom 'fit the bill' which means 'to be suitable'. Simply put, you are asking: Does my answer fit your question? Is my answer suitable? In the second question, you have asked precisely without ambiguity: Have I answered you correctly? In the last question, you have used the verb 'satisfy' in its past tense 'satisfied' which in this context means 'pleased because you have got what you wanted, or because something has happened in the way that you wanted'. And then you have used the verb 'explain' which in this context means 'to make something clear or easy to understand by describing or giving information about it: 'fit the bill': Does my answer fit your question?) Is my answer suitable?) 2; Have I answered you correctly?) 'satisfy'('satisfied' 'explain' () 3 Does that help you understand better? Does that make it clear? You can ask does that help you understand better when wanting to make sure someone understand what you explained. Does that help you understand better? 3 Is my answer sufficient? Did I understand the question? Is my answer satisfactory? All of the examples above are acceptable ways to ask if you have understood and answered a question correctly. Asking 'is my answer satisfactory/sufficient?' is a more formal way of asking this. 'Satisfactory' and 'sufficient' are both adjectives that describe something that is acceptable or adequate. 3 'satisfactory' 'sufficient' 3 Thank you! "please" 13 Should you have any questions, please feel free to contact me. I am happy to answer any questions you may have. Please do not hesitate to ask any questions. In order to make it clear that it is acceptable to ask questions, we should include phrases like 'please do not hesitate'. 'I would be happy to answer any questions', 'feel free to contact me' etc. Phrases like this put the recipient at ease and make it clear that it is okay to ask questions and that you are prepared to answer them. Phrases like this are normally placed at the end of an email after another piece of information has been provided. By adding a sentence expressing that questions are okay to ask, we are ensuring that the recipient of the email has understood all the information provided to them and they are free to ask for any clarifications.
