Bedrock is literally a hard, solid layer of rock underlying the upper strata of soil or other rock. Thus, by extension, it is any foundation or basis. Used literally as early as 1850 in Nelson Kingsley's Diary, the phrase appeared in its figurative sense by 1869 in Our New West by Samuel Bowles.get down to brass tacks To get down to business; to get down to the essential or fundamental issues. Although the phrase's origin is unknown, this expression is said to have been originally a nautical phrase referring to the brass nails exposed during the cleaning of the hulls on early sailing ships. Brass was used to resist the corrosion of sea water in fastening metal sheathing to the hull. The phrase appeared as early as 1897 in Liars by H. A. Jones.meat-and-potatoes Basic, fundamental, essential, main. Meat and potatoes have long been the basic ingredients of a traditional hearty meal.Its the meat-and-potatoes appealthe old pull at the heartstringsthatll put us over at the box office. (S. J. Perelman, Listen to the Mocking Bird, 1949)nitty-gritty The heart of a matter. This American slang term first appeared in 1963 as part of the Black militant slogan get down to the nitty-gritty.The Negroes present would know perfectly well that the nitty-gritty of a situation is the essentials of it. (Time, August, 1963)The phrase is conjectured to be an oblique reference to the small hard-to-remove nuts or lice that are often found attached to the hair and scalp of poor ghetto-dwellers because of unclean living conditions.nuts and bolts Basics, brass tacks, the nitty-gritty, the nitty-gritty, the nitty-gritty, the nitty-gritty, the nitty-gritty. It is only logical that figuratively they symbolize the essence or core of something, the practical basics. This expression, apparently of fairly recent coinage, dates from at least 1960.His preference was for journalism. He learnt the nuts and bolts of his profession with the Montreal Gazette. Tell a friend about us, add a link to this page, or visit the webmaster's page for free fun content. Link to this page: The defects," he added, with a look at the ruined brick-work, "are merely basic and fundamental."Throughout the previous pages I have been assuming -- what perhaps should have been laid down at the beginning as a distinct and fundamental proposition -- that every human being in Flatland is a Regular Figure, that is to say of regular construction.Will it be said that the FUNDAMENTAL PRINCIPLES of the Confederation were not within the purview of the convention, and ought not to have been varied?Both these extremes are to be avoided; which will be done, if the league of Christians, penned by our Savior himself, were in two cross classes hereof, soundly and plainly expounded: He that is not with us, is against us; and again, He that is not against us, is with us; that is, if the points fundamental and of substance in religion, were truly discerned and distinguished, from points not merely of faith, but of opinion, order, or good intention.Each looked for an easier triumph, and a result less fundamental and astounding.The fundamental principle on which it rests, that the empire is a community of sovereigns, that the diet is a representation of sovereigns and that the laws are addressed to sovereigns, renders the empire a nerveless body, incapable of regulating its own members, insecure against external dangers, and agitated with unceasing fermentations in its own bowels.Besides the fundamental principle already hinted at, I demanded the fresh bloom of youth, pearly teeth, glossy ringlets, and the whole list of lovely items, with the utmost delicacy of habits and sentiments, a silken texture of mind, and, above all, a virgin heart.For fear--that is man's original and fundamental feeling; through fear everything is explained, original sin and original virtue.I think that what has permanent value in the outlook of the behaviourists is the feeling that physics is the most fundamental science at present in existence.The most fundamental idea, the idea of existence, has not been received by me through sensation; indeed, there is no special sense-organ for the transmission of such an idea."We thus see, that although there is a clear and fundamental difference between the mere adhesion of grafted stocks, and the union of the male and female elements in the act of reproduction, yet that there is a rude degree of parallelism in the results of grafting and of crossing distinct species.And the worst of it was, and the root of it all, that it was all in accord with the normal fundamental laws of over-acute consciousness, and with the inertia that was the direct result of those laws, and that consequently one was not only unable to change but could do absolutely nothing. Princeton's WordNet0.0 / 0 votesfundamentals, basics, fundamental principle, basic principle, bedrocknounprinciples from which other truths can be derived"first you must learn the fundamentals"; "let's get down to basics"Wiktionary0.0 / 0 votesfundamentalsnounThe fundamental analysis data.While this stock has been trading at a low P/E multiple lately, I think its fundamentals are sound, and consider it a good buy for long-term investors.ChatGPT0.0 / 0 votesfundamentalsFundamentals refer to the basic and foundational principles, ideas, facts or elements that serve as the base or core for the structure, functioning or understanding of a particular field, system or concept. They are the essential parts or aspects that must be understood or established to effectively comprehend or operate something more complex.Matched CategoriesUsage in printed sourcesFrom:How to pronounce Fundamentals?How to say Fundamentals in sign language?NumerologyChaldean NumerologyThe numerical value of Fundamentals in Chaldean Numerology is: 4Pythagorean NumerologyThe numerical value of Fundamentals in Pythagorean Numerology is: 4Anthony Fauci:For goodness sakes : avoid crowds, wear masks. Those are the fundamentals that -- when you look at the television clips, when you see pictures in the newspapers -- people are not doing that. That's a recipe for disaster.Sean Taylor:When these big things happen, then you have no floor, you can't really work out the fundamentals, it's not priced in.Norihiro Fujito:Essentially, global shares and commodities have been rallying since U.S. Federal Reserve Chair Janet Yellen had indicated a dovish stance in March, but you would need more improvement in economic fundamentals for the rally to go further. The S&P 500 is quite overvalued, trading at 17.8 times the forecast profits. Disappointing earnings from hi-tech companies will surely cap the market.Lorne Baring:Regional equities are attractive and well supported by the fundamentals today, notably Europe, the U.S. and Japan where earnings multiples are in an inexpensive range of 12 to 18 times currently.Matthew Warren:The tension gets higher and the need to act gets more pressing, but the fundamentals that have slowed governments to date haven't gone away, that's what we're trying to wrestle with.
