Pre Owned Pre Owned Pre Owned Pre Owned Sold out Sold out Pre Owned Pre Owned Pre Owned The Leica M is an extraordinary camera. And it is most often found in the hands of extraordinary people. People who see the big picture, who look twice, question triviality and recognise the unusual in everyday things. They think outside the box, look beyond the everyday and expand their own horizons. This all requires a particularly special tool: the Leica M. Leica Store Manchester Pre Owned One Year Warranty Purchase your camera with peace of mind with our 1 year guarantee. All our equipment is fully checked and serviced before sale. LEICA SL Lens The Fundamental Choice Leica has gained an undisputable reputation for high-quality, reliable and precise lenses that retain their value and capture images and videos in outstanding quality. Our constant pursuit of perfection in optical performance and ease of use is also reflected in the ever-expanding portfolio of SL-System prime and zoom lenses. The SL-Lenses with the L-Mount bayonet deliver unsurpassed image quality for photo and film with a conveniently compact design. Their sophisticated technologies are always based on a simple, yet fundamental idea: supporting the work of creatives with the highest level of quality. Consistently perfect sharpness and colour reproduction at every focal length, as well as beautiful bokeh, are the hallmarks of all Leica SL-Lenses. The APO-Lenses in the SL-System in particular hold the highest standards of image quality and robustness, SL-Lenses without apochromatic correction still produce exceptional results but are conveniently lightweight and compact.
